Special Event Sponsorships

Reception Hospitality Event

\$ 2,500

How about hosting one of our Reception Hospitality Events? Each night, excluding Tuesday, our attendees kick back and enjoy some hospitality. When attendees arrive, they will be confronted with signage letting them know that your organization hosted this event. Your sponsorship monies will be used by NIC to help offset the costs of the free cold frosty beverages provided to the attendees that evening. What a great way to show these officers your appreciation for what they do.

Morning & Afternoon Snack Event

\$ 2,000

Each day (Mon – Thurs), snack items and beverages will be provided to the conference attendees, most often within the Exhibitor Room. When attendees arrive to get their food and beverages, they will be confronted with signage letting them know that your organization hosted that event.

Sponsor A Conference Instructor – Only ten (10) available; first come basis

\$ 1,500

There are a lot of expenses involved in getting quality instructors to this national conference. You can help us by sponsoring one of them and in return your organization will be recognized prior to their class.

Additional Exposure Opportunities

Booth Near Search Vehicle

\$ 150

Do you have products that are best demonstrated in action? Now you can select a premium booth location near a conference provided vehicle. If needed, we can even help you conceal mock contraband and/or inert explosives within. Let our attendees go hands-on with your devices so they can learn just how fantastic they are!

Gift Bag Trinkets or Fliers

\$ 150

Your organization can provide us with a minimum of 1,000 trinket type items or one-page advertisement fliers to promote your products/services. These will be provided to our attendees when they arrive and check-in.

***These items must be shipped to the below address and received by April 20, 2022:**

Illinois State Police – District 15; Attn: Tpr. Byron Nudd / NIC; 2700 Ogden Avenue, Downers Grove, Illinois 60515

Conference Gift Bags – First come basis

No Fee

Your organization can provide us with a minimum of 1,200 quality cloth type bags with your company logo affixed which would be provided to each attendee at registration. Placing your company's logo on these bags is a great way to get your name out there and to show your support of the interdiction officers in attendance. The numerous freebies placed into these bags make them a yearly hit. The bag and artwork must be preapproved by the NIC.

Gamification

No Fee

The NIC has implemented several creative ways to bring traffic to our vendor room and more importantly, your booth. Each exhibitor will be given a "code" that attendees will need in order to gain points and win high dollar prizes. For that reason, a high percentage of attendees will come directly to your booth space and the interaction of getting your code becomes an opportunity for you to promote your business. Not only will your booth be given a code, but so will each person you have working your booth. During the morning and afternoon breaks, food and drinks are served, and additional games are played, to increase traffic. Not to mention, our evening Vendor Hospitality event will give you a chance to mingle with our attendees for a prolonged period of time. We have been told by our exhibitors' time and time again that our strategic steps have helped them make valuable contacts year after year.

Exhibitor / Vendor Terms & Conditions

Exhibitor / Vendor Registration Forms must be received by [April 1, 2022](#)

The exhibitor / vendor form deadline is timed to allow for adequate space preparation and other planning needs.

All vendors must check-in with the NIC Vendor Liaison upon arrival at the conference site.

IMPORTANT – PLEASE READ:

All vendors must adhere to any restrictions and guidelines provided to the National Interdiction Conference (NIC) by its contracted hotels, hosting facilities and conference centers. Efforts will be made to accommodate our vendors to the highest degree possible, but final decisions regarding any conflicts will be made by NIC.

Each double booth space will typically include two (2) six-foot tables, four chairs, a wastebasket and approximately 8' X 16' in floor space. Should space allow, the NIC reserves the right to provide slightly larger booth spaces (generally 10' X 10' or 10' X 20'). Vendor space is always subject to change.
2. Vehicles may be displayed as allowed by the host facility and may require special modifications or accommodations due to safety and fire codes. Additional fees may be required for displaying vehicles; arrangement should be made through the NIC Vendor Liaison prior to deadline dates.
3. Company logos placed on the NIC website must be approved by NIC.
4. Banners placed outside of your booth space, if approved to do so, must be pre-approved prior to the conference and may be limited due to facility rules or requirements.
5. No exhibiting may take place, or merchandise may be sold, outside of a company's designated booth space. Anyone found to be in violation of this section will be asked to leave immediately and any registration fees will be forfeited.
6. The sale of specific apparel, or other items, may be subjected to restrictions. The NIC Vendor Liaison will contact you if a conflict arises.
7. All printed materials for any conference programs must be submitted and approved prior to print. The deadline for submittal of these materials shall be the same deadline date as the vendor registration form. NIC reserves the right to modify size and placement as necessary.

NIC reserves the right to limit or change any details as necessary with or without prior approval. Any concerns or special needs should be addressed with NIC prior to the vendor registration form deadline or as soon as reasonably possible.
